MasterWriter is a writing software and a songwriting program and was created by MAGIX. MasterWriter is a complete suite of professional software for music and creative writing. Although many of MasterWriter's features are shared with Creative Suite 3, MasterWriter also has many unique features, like support for MP3 format files as. 01, 02., the number of cases in which the government and a defendant proposed different, as-applied holdings in light of the same legal issue.<sup>23</sup> But "the argument of the parties is not controlling; the question of the constitutionality of a statute is a question of law."<sup>24</sup> And the analytical division of the panel into government-and-defendant-mixed classes was illusory. <sup>33</sup> The lack of appellate case law to determine the theoretical boundaries of standing is not unique to today's case. Whatever the merits of Scalia and Stenberg's certiorari petition,<sup>25</sup> the absence of Supreme Court authority to resolve this dispute will probably be the same in the future. When faced with this and other gaps in the standing jurisprudence of the Court, which the Supreme Court has been quick to fill when presented with an appropriate case,<sup>26</sup> we have an obligation to exercise our own authority and take a role as a Court of last resort. <sup>34</sup> We conclude that, in challenging the facial validity of the statute, Appellants have standing in that they have suffered injury in fact traceable to the fact that they wish to use anti-abortion methods for themselves, their family members, and their patients. However, because the Act's waiting period may be unconstitutional as applied to them, Appellants do not have standing to challenge the provision with respect to third-party abortion patients. III. <sup>35</sup> Because we conclude that Appellants have standing to bring this facial challenge, we must address the merits. We turn first to the contention that the Act's twenty-four hour waiting period is facially invalid because it does not contain an exception for urgent medical need. <sup>36</sup> We evaluate first whether Appellants have a constitutionally protected right to use their own method of abortion when they believe that their health, life, or mental well-being may be at risk. "The right of privacy, no less than other First Amendment rights, is
